

REMARKS

The Notice to File Missing Parts of Nonprovisional Application indicates that this application fails to comply with the requirements of 37 C.F.R. 1.821-1.825 and, in particular, that a paper and a computer readable form (CFR) copy of the Sequence Listing for this application must be provided. Accordingly, a Sequence Listing accompanies this submission, including both a paper copy (1 page) and a CFR of the Sequence Listing on 3.5 inch floppy disk. A Declaration is also submitted, with the statements required under 37 C.F.R. §§ 1.821(f) and (g).

In this Preliminary Amendment, the specification has been amended to incorporate Sequence Identification Numbers (SEQ ID NOS.) from the accompanying Sequence Listing. No new matter has been introduced by these amendments. The entry and consideration of these amendments before substantive examination of this application are therefore respectfully requested.
